**Perv hacked  
cams to see  
women nude**

A PERVERT hacked three women's computer webcams so he could secretly film them undressing and having sex.

Scott Cowley (above), 27, used "Trojan" software called Imminent Monitor to spy on his victims over a two-year period.

But the creep was rumoured because he had bought the "malicious" malware programme using his own PayPal account.

Liverpool Crown Court heard police raided Cowley's home in St Helens in November 25 last year.

They discovered three folders on his laptop, named after each of his victims.

They all contained pictures and videos of the women undressing, while one folder contained videos of one of them having sex.

Cowley admitted computer misuse and voyeurism and was jailed for two years and told to sign on the Sex Offenders Register.

**Travelex being  
held to ransom**

HACKERS are holding foreign exchange firm Travelex to ransom after a cyber-attack forced the company to turn off all computer systems and resort to using pen and paper across its thousands of sites.

Travelex took down its websites in 30 countries to contain "the virus and protect data" after the New Year's Eve attack.

The hackers are demanding a ransom payment in exchange for either restoration of IT systems or the preservation of customer data.

# CYPRUS RAPE GIRL FREED

## Teen on way home

**RELIEF:**  
Teenager  
was given  
suspended  
sentence

A BRITISH teenager found guilty of lying about being gang-raped in Cyprus can return home after a judge said he was giving her a "second chance" and suspended her four-month prison sentence.

The 19-year-old woman hugged her family and legal team and left court weeping, with her head in her hands, after she was sentenced for public mischief.

The teen's mother shouted "she's coming home" to supporters outside Famagusta District Court, telling reporters that she feels "relieved".

Her lawyer Lewis Power QC said her legal team would be challenging her conviction and were prepared to take the case to the European Court of Human Rights.

The teenager, from Derbyshire, has been stuck on the island after claiming she was raped by up to 12 Israeli tourists in a hotel room in the party town of Ayia Napa on July 17.

She was charged and spent about a month in prison before being granted bail in August.

The dozen young men and boys, aged between 15 and 20 arrested over the incident were freed after she signed a retraction statement 10 days later.

But she maintains she was

raped after having consensual sex with one of the Israelis and forced to change her account under pressure from Cypriot police after hours of questioning alone and without legal representation.

Judge Michalis Papatheanasiou told the court: "Her psychological state, her youth, that she has been away from her family, her friends and academic studies this year, this has led me to decide to give her a second chance and suspend the sentence for three years."

president

**A FORMER Marine and convicted

boarding President Trump's  
official helicopter.**

Brandon Magnan, 37, showed up at Palm Beach International Airport on Sunday and claimed he was working security on Marine One, the chopper that transports the commander-in-chief.

Magnan allegedly flashed credentials with fake Marine Corps seals and was able to get onto the grounds of Atlantic Aviation, where both Marine One and Air Force One are housed while Trump stays at his Mar-a-Lago home.

But a cop noticed Magnan wasn't in

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Marine Corps uniform, as is standard for presidential travel, and raised the alarm.

When confronted, Magnan allegedly claimed to be retired.

It's believed that President Trump was on his way to the airport to use the helicopter when Magnan was caught.

The Secret Service soon discovered that Magnan had been dishonourably discharged in 2010, "following his conviction at a Court Martial for serious offences."

**Sodomy**

He was convicted of charges that included abusive sexual conduct and forced sodomy. He's been a registered sex offender since.

Magnan was charged with false impersonation of an officer or employee of the United States, and faces a maximum of three years in prison if convicted!

He was released on bail pending a court hearing which has been scheduled for January 27.

The fact that Magnan was able to get so close to the President will cause red faces for security chiefs.

**PC Harper killer  
denies murder**

A TEENAGER has admitted killing a police officer who was dragged along the road by a van after being called to reports of a break-in.

PC Andrew Harper (above), 28, died of multiple injuries in August four weeks after getting married.

Henry Long, 18, from Reading, Berks, pleaded guilty to manslaughter at the Old Bailey but denies murder.

A 17-year-old, who cannot be named, entered not guilty pleas to PC Harper's manslaughter and conspiracy to steal.

Another 17-year-old boy denied the same charges at an earlier hearing.

The three are due to face a six-week trial at the Old Bailey in March.

## 50 CRUSHED TO DEATH IN FUNERAL STAMPEDE

FIFTY people have been killed in a stampede as Iranians flocked to the burial of a top commander killed in a U.S. drone strike, officials say.

The deaths in Qasem Soleimani's hometown of Kerman led to the postponement of his interment. A new time will be announced later.

Millions are already estimated to have packed the streets for a series of funeral processions in Iran.

Soleimani's killing has raised fears of a conflict between the US and Iran.

The head of the Quds force was tasked with defending and projecting Iranian interests abroad, and was hailed as a hero in his home country.

To the U.S. he was a terrorist, and explaining why he ordered the strike President Trump said he was acting on an "imminent" threat.

It is unclear what caused the stampede in Kerman - in which more than 200 people were injured - but hordes of raving nutters had been in the streets ahead of the planned burial.

## Shock online claim

**TELLY chef John Torode once gave sun worshippers an accidental flash on a beach.**

That's the bold claim made by an online commenter about the BBC *MasterChef* presenter.

It was made following an article on the snooty *Daily Mail* website, detailing the home life of Torode and his new wife, Lisa Faulkner.

The comments section below the story had lit up with people arguing whether the pictures shown were actually of their home or instead in a TV studio done up to look like a private house.

But then, out of blue, a reader called "null" wrote: "I'll never forget seeing him on a beach years ago in Mallorca with his ex-wife and kids and he was wearing sarong and when the sea breeze you could see his nut... lol."

### Romantic

Asked by others why he would notice, "null" replied: "Why would I look? Myself or the 20 plus people that we're sunbathing we couldn't help it. He was stood in the water with the sea breeze blowing his sarong."

The fawning article had described how the couple "tied the knot in a romantic ceremony in October 2019 and have had a 'wonderful success' with their morning cooking show".

## STORMZY'S SLIP-UP

**STORMZY** accidentally sported a new look on *BBC Breakfast* - when he turned up in SLIPPERS.

The rapper told TV hosts Dan Walker and Louise Minchin that he only realised he was still wearing the comfy footwear while being driven to the studio.

As the *Own It* singer sat on the famous red sofa, Walker told him: "Can I say, first up, those slippers are magnificent!"

The grime star (right) admitted: "I forgot... I'm an idiot!"

## Laura super excited for Love Island

LAURA Whitmore said she was "super excited" to be a part of *Love Island* and not just a viewer, as she prepared to jet to South Africa for the new series.

The former MTV host is fronting the brand new winter series of the ITV2 dating show, after regular presenter Caroline Flack stepped down following an assault charge.

Laura (above) said: "It's the biggest and best TV show."

"Normally I'm sitting on my sofa watching it, which I'll still be doing when I'm not out in South Africa, but I'm so glad to be a part of it, too."

"I can't wait to meet the Islanders!"

Laura's new role means she will be able to join her boyfriend Iain Stirling, who is currently the narrator for *Love Island*, in South Africa, where the new series gets under way on Sunday.

The 34-year-old added: "I couldn't possibly let Iain go out there and have fun without me!"

"It will be nice."

## Ant 'n' Dec on NTA shortlist for 19th year

ANT and Dec are up for yet another National Television Award after being reunited on the small screen – but *The X Factor* misses out.

The much-loved duo are shortlisted in the Best TV Presenter category for the 19TH YEAR.

They scooped the title at last year's ceremony, voted for by viewers, despite Ant McPartlin having been off-screen for much of the time.

Holly Willoughby filled in for Ant in the jungle in 2018 following his arrest for drink-driving but he was back with Dec fronting *I'm A Celebrity...Get Me Out Of Here!* together in November last year.

*Britain's Got Talent*, which they host, faces competition from *Strictly Come Dancing*, *Dancing on Ice* and *The Voice UK* at The National Television Awards on January 28.

# NICE GLOBES, GIRLS!

GAGS: RICKY

RICKY Gervais's opening speech was the high point of not just the Golden Globes but the ENTIRE awards season.

The Brit funnyman left "woke" Hollywood stars in shock as he attacked Tinseltown hypocrites in his brutal opening monologue at the Golden Globes ceremony on Monday night.

As many had been expecting, the star of *The Office* didn't pull any punches with his jokes and even suggested those present would work for ISIS if it set up a streaming service.

He also made gags about dead paedophile Jeffrey Epstein, actor Leo DiCaprio's love life and Felicity Huffman's prison sentence for her part in a college admissions scandal.

But Gervais was not the only Brit making a splash at the awards.

Phoebe Waller-Bridge, Sam Mendes, Olivia Colman,

Taron Egerton and Elton John all won awards.

But away from the controversy of Gervais's comments, all eyes were on the leading ladies and their frocks.

And today we print some of the red carpet's hottest female stars – STARKERS!

## FURY AS JOKER TOPS 'TOO WHITE' BAFTAS

JUST days after Ricky Gervais blasted the film industry for being too politically-correct and joyless, Hollywood has stumbled into a race row – because the BAFTAs are "too white".

ALL WHITE: *The Irishman*

Bosses said it's "disappointing" and "infuriating" that this year's film awards feature all-white acting nominees and that no female directors are recognised.

*Joker* leads the nominations at the British Academy film awards with 11 nods.

The origin story of the comic book villain, starring Joaquin Phoenix as Arthur Fleck, is in the running for best film, best actor, best adapted screenplay and best director.

It is closely followed by Martin Scorsese's gangster

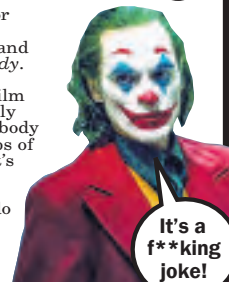

epic *The Irishman* and Quentin Tarantino's *Once Upon a Time... in Hollywood*, which both have a whopping 10 nominations each.

Phoenix will compete with *Once Upon a Time* star Leonardo DiCaprio, *Marriage Story*'s Adam Driver, *Rocketman*'s Taron Egerton, and Jonathan Pryce for *The Two Popes* in the leading actor category.

The nominees for leading actress are Jessie Buckley for *Wild Rose*, Scarlett Johansson for *Marriage*

*Story*, Saoirse Ronan for *Little Women*, Charlize Theron for *Bombshell*, and Renee Zellweger for *Judy*.

Marc Samuelson, chairman of BAFTA's film committee, said: "Clearly everybody knows everybody in the four acting groups of nominees are white – it's infuriating, we can't make the industry do something, all we can do is encourage and push and inspire and try to help people coming in at the bottom end."

It's a f\*\*\*king joke!

## Mobo kart crash kills driver, 67

A MAN died after he lost control of his mobility scooter while parading a carbarret singer in front of an crowd of 300 people.

Keith Alan Parker (above) was in the audience outside the Beachcomber in Skegness watching a performance by Sarah Petterson, known as Suki Soul, in May.

She climbed onto the scooter as a joke and Mr Parker drove her a short distance while she sang.

But when she tried to repeat the stunt when she saw him in the audience the following afternoon, on May 12, Mr Parker set off too fast and drove into an ice cream parlour, where the steering wheel slammed into his ribs.

He tragically died three days later.

An inquest into the 67-year-old's death at Lincoln Coroner's Court concluded he died from a ruptured spleen which caused internal haemorrhaging, plus complications from existing health conditions which included heart and lung disease.

## Morrisons has poor Christmas after sales fall

**SUPERMARKET** Morrisons has posted falling sales over the crucial festive season amid "unusually challenging" trading and shopper uncertainty.

The UK's fourth biggest grocery chain reported a 1.7 per cent fall in group like-for-like sales for the 22 weeks to January 5 covering the key Christmas period.

It said it moved to slash prices to help boost trade, but admitted it missed out after choosing not to take part in November's Black Friday.

In a statement the group said: "Throughout the period, trading conditions remained challenging."

Earlier this week, however, cut-price supermarket chain Aldi announced record profits for the Christmas period with sales up 7.9 per cent on the previous year.

*I'm a Celebrity... Get Me Out of Here!* contestant Charlotte Crosby **PISSED** herself as she was challenged to skydive into the jungle.

The former *Geordie Shore* star is currently taking part in the Australian version of the hit ITV show.

But she was in tears as she tried to confront the mission and backed out of jumping from a helicopter mid-air.

"No! Come on... I can't do it. I can't do it. I won't be happy. This will kill me. I can't," Charlotte said.

"God. Why did I ever agree to come on the show? I don't want to do it. I've never wanted to not do something more in my life."

Charlotte, 29, screamed that she was scared she was going

to fall out and as presenters Chris Brown and Julia Morris began the countdown she shouted the fateful words: "I'm a celebrity, get me out of here!"

And the hosts seemed disappointed Charlotte had given up, with Julia saying: "Ah, she said the words."

But Charlotte was relieved she'd landed back on solid ground and admitted that she didn't know how her fellow campmates had managed to brave the jump.

She said: "You've literally

got to have a death wish. That is f\*\*ked up... I've actually wet myself!"

Charlotte announced she'd bagged a spot on the Aussie spin-off show earlier this year and shared the news on her social media pages.

She's currently living it up in South Africa with Australian TV presenter Tom Williams, comedian Tanya Hennessy, reality star Ryan Gallagher, singer Rhonda Burchmore and comedian Nikki Osborne.

**BANGED UP:**  
Demi Burton

**A WOMAN has been jailed over a drunken four-hour rampage on a holiday jet after she asked male passengers to join her in the Mile High Club.**

Demi Burton, 20, had already shocked two men by making crude comments about them having mid-air sex during an eight-hour flight while she was intoxicated on red wine.

But when she was refused any more alcohol, Burton shouted: "You may as well just land the plane now then!" before angrily raising her fists at cabin crew and going berserk as the other 259 passengers looked on.

### Headbutt

Staff on the Etihad flight from Abu Dhabi to Manchester tried to calm Burton down only for her to headbutt, maul and kick out at them during a violent struggle.

It took six crew and passengers to restrain Burton and she was arrested when the plane finally landed after a 4,500 mile trip.

A consultant anaesthetist travelling on the flight who was bitten on the elbow and headbutted as he helped restrain Burton said it was worse than working in A&E.

One stewardess was bitten on the forearm and headbutted on the chin, while passengers received kicks to their ribs and faces.

Burton, of Carrington, near Manchester, had been travelling home from a three-month trip to Australia where she visited family.

She claimed she had been drinking as she had a fear of flying.

At Minshull Street Crown Court in Manchester she was jailed for six months after she admitted being drunk on an aircraft and five charges of assault.

The incident began on May 9 shortly after flight EY21 had taken off from the United Arab Emirates.

Prosecutor Claire Brocklebank said: "It appears she

was drunk before getting on the flight and she started making a number of inappropriate sexual comments to a number of male passengers.

"Two in particular remember hearing comments and at first they laughed it off but it then became more and more increasingly inappropriate and she asked them to join the Mile High Club."

"Both tried to end conversation with her but she carried on."

### Bastard

"She shouted to one, 'Shut up, you specky four-eyed bastard', and other abusive comments and swore at other passengers."

"When she was told about the decision not to serve her any more red wine, she demanded to speak to the pilot and said, 'You may as well just land the plane now then'."

Sentencing Burton, Judge John Edwards said: "Your behaviour was unpleasant, violent and persistent over a lengthy period. This is too serious to be dealt with in any other way other than immediate custody."

## Teen charged with murder of rapper Bis

A TEENAGER has been charged with murdering the drill rapper known as Bis.

Elijah Morgan is accused of fatally stabbing Bis (above), 20 – whose real name is Crosslom Davis, in Deptford, south-east London, in the early hours of December 6.

The 19-year-old, of no fixed address, is also charged with possession of an offensive weapon.

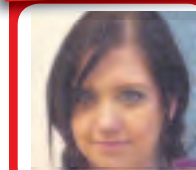

A date has yet to be fixed for Morgan's first appearance before magistrates.

Davis was a member of the Harlem Spartans music group, based in Kennington, south London. Harlem is a nickname for the area.

Their music contains references to Kennington, violence, disagreements with other groups, and is often riddled with slang.

Police have in the past alleged that they are a gang but the group strongly deny this.

He also told them he cut off Bacon's testicles and ate them during the murder.

Latunski has been charged with murder and mutilation of a human body.

# Kids to shun school trips over climate

SNOWFLAKE pupils are crying off school trips – because they might harm the polar bears!

Eco-conscious teens could think twice about going on school trips in the future, a girls' school head has said.

Thanks to hateful truant-playing Swedish busybody Greta Thunberg (*above*), 17, young people are becoming more aware of their lifestyles and how they can help protect the environment, according to Jane Prescott, headmistress of Portsmouth High School.

Asked if pupils' interest in such issues could have an impact on school trips in the future, Mrs Prescott said: "Yes, I do think so. I think they will make decisions about what they do, so they might not do as many trips or consider the value of that trip."

She added that she thinks pupils will also be "more considerate" of climate change.

# NONCE COP'S ANIMAL SEX SHAME

**CAUGHT:** Mobile phone check busted Branney

**A FORMER cop caught with pictures showing people having sex with dogs, horses and pigs has been jailed.**

Paedophile Robert Branney, 73, was sentenced to 10 months in prison after he admitted possessing five extreme pornographic images.

It was the second jail term given to the disgraced ex-police officer after he had been sentenced to 14 months in 2017 for making indecent images of a child.

This was in breach of a suspended sentence given to him in May 2016 for possessing indecent images of children, making an indecent image and possessing an extreme image portraying a sexual act with an animal.

## Abuse

Branney was a cop for 28 years before retiring in 2001 and spent four years working in child protection, helping to protect children from sexual abuse from adults.

But a judge at Truro Crown Court described his latest actions as "disgusting."

Prosecuting, Lee Bremridge described how on November 19, 2018, police went to Branney's address to check his mobile phone.

Mr Bremridge said the officer had noted how his phone history

showed he had been accessing websites showing people having sex with animals.

Branney, of St Austell, Cornwall, was then interviewed and made full admissions, saying he accessed the sites out of curiosity.

Defending Branney, Jason Beal described it as "a fleeting lapse" and said his client had been making steps to address his offending.

**By COLIN HURST**

## Jailed over 'disgusting' porn images

Branney's low mental state was said to have contributed to this latest offence.

Sentencing Branney, Judge Simon Carr noted his previous offending and how this charge stemmed from a period of time in which he was released under licence.

Judge Carr said: "I accept the number of images was low and you admitted what you had done right away, but anyone looking at the images would have nothing but disgust for those viewing them."

## Summer was a killer

*AN estimated 892 "excess deaths" occurred during the heatwaves of summer 2019, Public Health England has said.*

*The number of deaths are additional to those expected under normal circumstances.*

*Provisional data indicated the number of deaths had spiked on the hottest day of the summer, July 25.*

*Temperatures reached 38.7C (101.66F) in Cambridge, breaking the record for the highest temperature ever recorded in the UK.*

*There were 572 additional deaths estimated during July 21-28 and 320 between August 23-29.*

## 1K sex assaults on mental wards

**MORE** than 1,000 sexual assaults have been reported on mixed-sex mental health wards since 2017, new data shows.

The figures, obtained by the Health Service Journal, show there were at least 1,019 reports of sexual assaults between men and women from April 2017 to October 2019.

Although trusts report they meet guidelines on single-sex accommodation, men and women in mental health units still mix through communal gardens, lounge areas, and passing through each other's corridors to reach shared spaces.

A Government-ordered review published in 2018 recommended that the Government "tighten" its definition of single-sex accommodation, to ensure wards were "genuinely" single sex.

# PIRATES PELTED SHIP'S CREW WITH POO!

## Stowaways' filthy bid to get to Britain

**FOUR Nigerian stowaways who hurled their own shit at sailors and threatened to infect them with their diseased blood have been banged up.**

The Special Boat Service came to the rescue of the Grande Tema crew in the Thames Estuary in December 2018.

Samuel Jolumi, 27, Ishola Sunday, 28, Toheeb Popoola, 27, and Joberto McGee, 21, were fleeing their home country for the UK when they boarded the Italian ship in Lagos, Nigeria.

The stowaways were found by crew after several days in hiding and put into quarantine before breaking free five days later.

But they mutinied against the crew and captain, flinging urine and faeces while cutting themselves and claiming they were HIV positive.

Jolumi, Sunday, Popoola and McGee were all convicted of affray while Popoola and McGee were found guilty of making threats to kill by an Old Bailey jury after an eight-week trial. Judge Nigel Lickley QC told them:

"You paraded about that day as a menacing group, sometimes covering your faces. This is an unusual case. You were all cleared of attempted hijacking of the ship and multiple threats kill.

"You Popoola and McGee of one and two counts of making threats to kill.

### Terrorists

"You might have been terrorists who had secreted arms on board in advance.

"There was serious fear or distress caused during this time to some of the crew. They feared confrontation, violence and potentially serious injury for many hours."

McGee, who organised the riot, made a throat slitting gesture to crew members mouthing the words: "I kill you."

Popoola was jailed for 31 months, McGee for 32 months, and Sunday and Jolumi were each jailed for 16 months.

## Xmas puds 'dying out'

CHRISTMAS puds are now an endangered species, data shows.

Figures from market research firm Kantar shows sales of the traditional dessert fell by 16 percent in the UK in the run-up to last Christmas.

There was also an 11% drop in sales of seasonal biscuits in supermarkets, while turkey sales were down slightly, by 1%.

Beer and wine were more popular than in 2018 with respective rises of 1% and 2% in their sales over the previous year.

The desserts that proved most popular were sponge puddings, crumble and custard.

## REACHER WRITER JUDGES BOOKER

**THIS** year's Booker Prize will be co-judged by author Lee Child – creator of the Jack Reacher series of crime thriller novels.

Last year's Booker Prize For Fiction was won by two books – *The Testaments* by Margaret Atwood and *Girl, Woman, Other* by Bernardine Evaristo.

Telly rights have been snapped up for Evaristo's novel, while Atwood's book is expected to be adapted by producers of *The Handmaid's Tale*, starring Elisabeth Moss, from the author's original novel.

This year's Booker Prize judging panel also features poet Lemn Sissay, author and critic Sameer Rahim and classicist and translator Emily Wilson, and is chaired by literary critic and former publisher Margaret Busby.

The Jack Reacher novels have been made into hit films starring Tom Cruise (left) in the lead role.

# FLING IS IN THE AIR!

## This is top month for starting an affair, say experts

**THE busiest time for cheating this year is this week – with 50,000 people in the UK choosing now to start affairs.**

And that's why the new decade is again being called the Roaring Twenties, according to new research.

January sees a 100 per cent rise in extra-marital activity compared to the quietest month of the year for cheating – which is August.

The peak week for cheating is the first full week back at work after the Christmas and New Year break.

The number of new affairs is way higher than average, with 120,000 people cheating by the end of the month.

January is also the peak time for splits. 'Divorce Day' was on Monday, January 6, when more people decide to split with their partners than any other day of the year.

### NUMBER OF AFFAIRS IN UK

- 1 JANUARY – 120,000
- 2 FEBRUARY – 110,000
- 3 DECEMBER – 102,000
- 4 MARCH – 95,000
- 5 SEPTEMBER – 92,000
- 6 OCTOBER – 87,000
- 7 NOVEMBER – 82,000
- 8 MAY – 78,000
- 9 JUNE – 75,000
- 10 APRIL – 69,000
- 11 JULY – 65,000
- 12 AUGUST – 60,000

### Rocky

There is a 24% rise in divorce petitions this month, after the festive period blows rocky relationships apart.

January also has Blue Monday – the most depressing day of the year – on the third Monday of the year – January 20 this time.

Affairs peak in January because the triple whammy of the return to work, short days and cold weather

By **GRACE HOOPER**

makes unhappy couples less tolerant of their partners' failings – and more likely to seek someone new.

Divorce rates in the UK are at their lowest levels since 1971 and many couples stay in unhappy marriages because they can't afford to divorce – so cheat instead to make life more interesting.

IllicitEncounters.com, the UK's leading extra-marital affairs site, sees a 37% rise in registrations in January and a 22% rise in February – the second most popular month for cheating, with 110,000 new affairs.

December is the third most popular month for cheating, with 102,000 people starting affairs – because of all the Christmas parties.

March is the fourth most popular month for cheating, with 95,000 new affairs.

The two quietest

months for cheating are in peak summer – because more people are away with their families.

There are just 60,000 new affairs in August and 65,000 in July.

IllicitEncounters.com compiled the figures by studying new

registrations to extra-marital dating sites and other statistics on dating behaviour.

The site's sex and relationship expert Jessica Leoni said: "Couples increasingly view January as the time to start afresh and begin a new affair."

"For many miserable spouses this will mean walking out on their stale marriage."

"But we are finding increasing numbers of people are staying in unhappy relationships, often due to financial pressures, and seeking excitement elsewhere."

**Tolly laughs as winner's prize is trip to home**

*THIS Morning* hosts Holly Willoughby and Phillip Schofield burst out laughing after a viewer won a holiday to Edinburgh – where she already lives!

The presenters were in stitches after caller Anne won herself a trip to the Scottish capital.

She bagged the prize as part of the show's new game, which gives viewers the chance to win either a UK break, a holiday in Europe or an extra special "star holiday".

After Anne correctly answered a question, Holly and Phil spun a wheel in the studio.

But the game didn't go to plan after it was announced Anne had won two nights at a five-star hotel in Edinburgh.

Phil asked Anne: "Where do you live?" Anne replied: "Quite near Edinburgh."

As Phil and Holly erupted into giggles, they offered her another spin.

The wheel landed on UK break again, but Phil moved it himself and secured her a trip to Florence in Italy.

## She'll give you a Demi-on!

**DISHY** Demi Rose is starting 2020 as she ended 2019 – travelling the nicer places of the world.

In a selection of stunning but equally revealing photos posted to Instagram on Monday, the British beauty playfully posed wearing nothing but skimpy blue crochet bikini bottoms which showed off her fine trumper.

A fan said: "I would."

## Imam bailed over attacks on children

AN Islamic religious leader has been arrested on charges of sex crimes against children under the age of 14.

Mohamed Omar Ali, 59, was bailed after being charged with one count of sexual assault of a child and three charges of indecency with a child.

Ali, a Somali national who was living in the US illegally, is a well-known imam in the Islamic community and taught throughout Texas and America, according to police in Houston.

A police spokesman said Ali gained access to the victims by earning the trust of their families who invited him over to teach their children the Quran.

The sheriff's office has accounted for four victims, who were all minors at the time of the assaults, which started in 2013.

International Airport in Florida went viral, gaining well over six million views.

The clip was originally posted onto TikTok by @miguelrm15 before it was heavily circulated by Twitter users – including Gretchen Smith, who stated: 'Okay what am I looking at? Men! What is this called?'

Many on Twitter shared derogatory comments towards Duane and insinuated that

he had to be a 'gay man'.

But while those trolls bashed Duane's fashion choices, others rallied behind the fashionista.

'Women shaming men for wearing female coded clothing is just Toxic Masculinity For Her,' said a Faith Naff on Twitter.

Now, while we would never criticise a man's right to wear high heels in an airport, we can't help feeling that there are others who better suit stilettos.

So we've put together four amazing pictures of Sport Babes in High Heels!...

## Irwins save 90k beasts in danger!

THE family of the late Aussie "Crocodile Hunter" Steve Irwin is continuing his legacy of rescuing and saving wildlife in danger.

Irwin's daughter Bindi (above), and the rest of their family have now rescued and treated more than 90,000 creatures.

Over half a BILLION animals have been killed or injured in Australia's recent devastating wildfires.

Bindi's brother Robert said on social media that Ollie, an

orphaned platypus, was patient number 90,000 at the Australia Zoo's wildlife hospital.

The Irwin family owns and operates the zoo.

Robert added: "With so many devastating fires within Australia, my heart breaks for the people and wildlife who have lost so much."

Nearly a third of koalas in the state of New South Wales may have been killed in the bushfires, many of which are thought to be the work of arsonists.

Steve tragically died in 2006, aged 44, after being pierced in the chest by a stingray barb while filming in Australia's Great Barrier Reef.

## Smoking vapers at increased risk of having stroke

VAPERS who have also smoked tobacco may be at greater risk of stroke compared to people who only smoke cigarettes, new research suggests.

Those who used both at the time of the study were almost two times more likely to have a stroke, compared to those who only smoked ciggies.

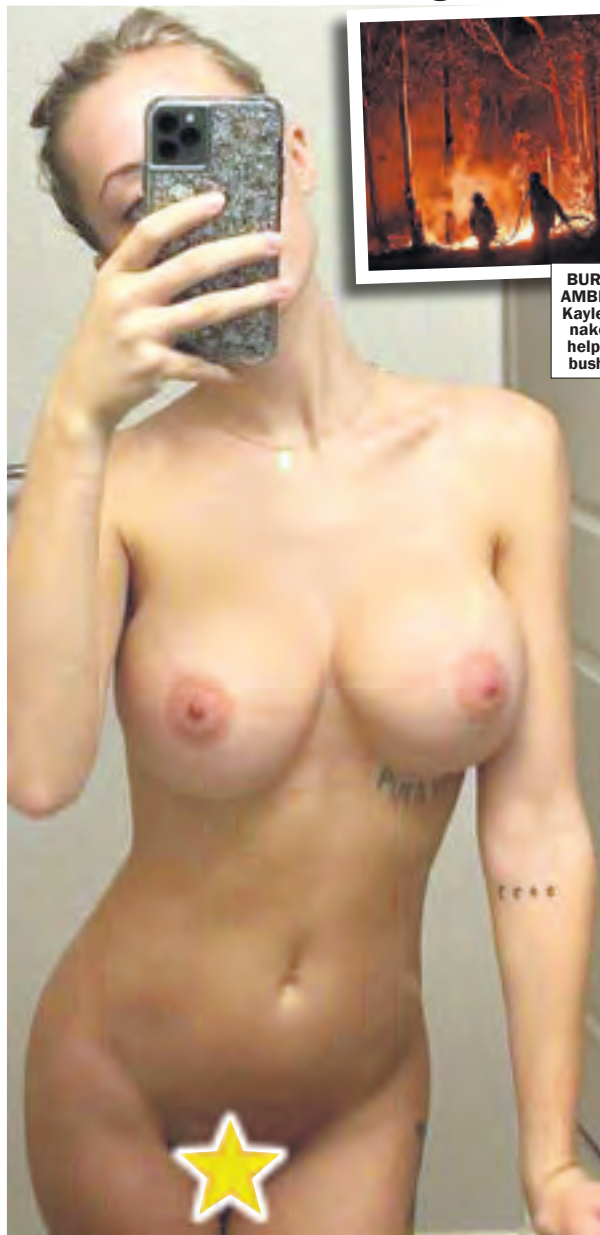

And they were nearly three times more likely than non-smokers to have a stroke, the research suggests.

Compared with non-smokers, sole e-cigarette smoking was not linked to significantly different odds of stroke.

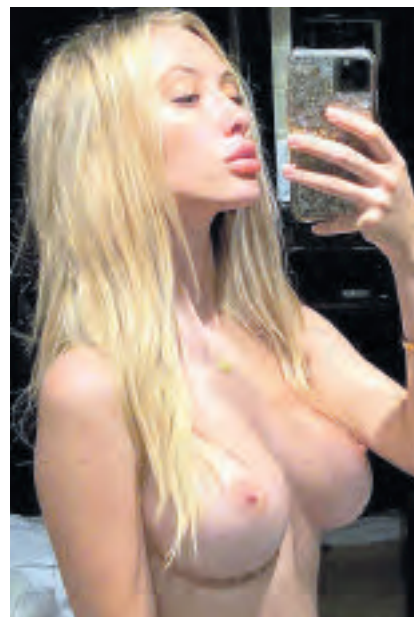

However, if participants had former or current cigarette use, odds of stroke were increased even when compared to sole cigarette use, say biffins at University College London.

## Stunna sells nude snaps for Aussie bushfire relief...but Instagram killjoys BAN her

**BURNING AMBITION:** Kaylen got naked to help fight bushfires

By COLIN HURST

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A MODEL who raised nearly a million pounds for Australian bushfire victims by posting nude pics has been banned from Instagram.**

Kaylen Ward, 20, said she wanted to help after seeing the devastation caused and thought X-rated snaps of herself would be the best way to raise funds.

In minutes, her private message boxes on Instagram and Twitter were bombarded by people sending in receipts to prove they'd donated.

But when the post went viral Kaylen's account was deactivated by the network.

### Fortune

She said: "My IG got deactivated, my family disowned me but f\*\*k it, save the koalas."

Despite the setback, Kaylen claims she still managed to raise a fortune, adding: "We have hit an estimated £1m. Guys I am crying. This is f\*\*king crazy."

To receive a personalised nude image, people had to provide proof of a donation of more than £10 being pledged to an Aussie charity.

She asked her followers to donate directly to a list of charities she suggested, which included New South Wales Rural Fire Service, Victorian Country Fire Service, Red Cross and koala hospitals across the nation.

Kaylen hoped her post would attract "a few thousand dollars" yet within a day, she had about 20,000 messages with receipts.

But her social media ban sparked fury among followers with one Twitter user @Popclocks14 raging: "Great work Instagram. That's another half a billion koalas dead thanks to you."

# MISS WITH 'VERY WET' FANNY WANTS EARLY RELEASE

**SQUIRTY:** Teacher Madalyn Arnett

A TEACHER serving a prison sentence for having "squirty" sex with a male student is bidding for an early release.

Madalyn Arnett, 26, pleaded guilty in March last year to sexual assault and was handed a four-year sentence.

According to prosecutors, the student had approached Arnett at school about what he could do to improve his grades, and the teacher initially declined to assist him.

But later Arnett contacted the lad on social media and began conversations that were "sexual in nature" and included nude images and videos of herself masturbating.

### Orgasmed

One evening in March, 2018, she picked up the student down

the street from his home and drove to a nearby park, where they had sex in her car.

The student later told cops that the teacher was "very wet" and that she "squirted" when she orgasmed.

The incident was later reported to school officials in Lebanon, Ohio, who contacted police.

Now lawyers for Arnett say she accepts responsibility and admits culpability.

In a statement they said: "Ms Arnett is extremely remorseful for her actions and has shown a deeper level of understanding and compassion for all victims."

Her appeal will be heard in March.

## Judge on 'sex with court staff' rap suspended

A JUDGE accused of having sex with staff members at court has been suspended on full pay while allegations are resolved.

The Judicial Conduct Commission released an order outlining the suspension for Judge Dawn M. Gentry, a family court judge in Kenton County.

The commission released nine ethics charges against Gentry in early December.

One allegation was that she hired a man whom she was involved in a sexual relationship with – sacking another employee to make a spot for him – and took part in sexual activity with him and a female employee at the office.

She denied having sex with staffers in the office, or elsewhere, and also denied taking part in any other ethical wrongdoing.

The commission said it would be "in the best interest of justice" for Gentry not to handle cases while the ethics charges are pending.

# THE BABY-FACED BUTCHER

**HORROR KILLING:** Likeable Justin Back (left) was stabbed to death, then shot with his stepfather's gun

**WHEN it comes to brutal and bloody murder, age knows no boundaries. Austin Myers was just 19 when he and accomplice Tim Mosley choked, stabbed and shot pal Justin Back as he begged for mercy. And the vile slaying had all been planned out in a high school notebook...**

**ACCORDING to those who knew and loved him, Justin Back, 18, didn't just have the world at his feet, he was a good kid, too.**

He had just graduated from Waynesville High School, Ohio, and was about to ship out to join the Navy – something he'd dreamed of doing for years.

As grieving friend Josh Williams recalled: "Justin could always make you smile."

"Don't ever take a day for granted, don't ever take anyone for granted. They might not be there tomorrow."

Justin was also a self-confessed mummy's boy.

And on January 29, 2014, his loving mother Sandy Cates started to grow uneasy. Justin wasn't answering his phone.

Trying to reassure herself he was just at home playing his favourite video game or listening to his iPod, she carried on working at the financial firm where she was employed.

When she got home, the house was in darkness. The dining room table had

By **BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

been pushed against the wall and the rugs had been removed.

Justin's stepdad, Mark Cates, noticed that Justin's games console and electronics had vanished. They must have been burgled.

But there was something else missing – Justin.

Sandy's son was dead. He'd been garrotted by 19-year-old schoolmates Austin Myers and Tim Mosley in a gruesome, premeditated attack.

## Slaughter

When the wire that pulled tight around his throat didn't kill Justin, Myers and Mosley stabbed him 21 times in the chest, back and stomach before shooting him with a gun belonging to Justin's stepdad.

Justin's body was eventually dumped under a bridge – the contents of a septic tank poured over it in a bid to make it decompose quicker.

Experts are convinced that Myers and Mosley were serial killers in the making – mercifully caught after just one murder – who had plotted to slaughter just for the thrill of it.

Now Sandy has only memories of the lad with an impish grin and cowboy hat who loved *Star Wars* and was a sci-fi geek.

She cried: "I fell into the false security that we live in a good area, Justin's a good kid, we're a good family. Bad things don't happen to you."

"We found out that they do."

"You have this child so full of life, and suddenly he's no more. It was so unbelievable, it still is."

"They could have had anything out of the house they wanted. Just leave me my baby."

"You play the 'what if' game. What if I had stayed home? Your mind plays the scenarios over and over and over until you get desensitized to them."

"Then it goes to someplace else. You have nightmares, other dreams about him."

"There's not a moment that you don't have Justin going through your head."

Myers, who had known Justin since middle school, had once been a good kid too.

His mum, Danielle Copeland, described how her son had been a gifted piano player and grade A student, happy and in with the right crowd.

But, having seen his parents bicker and divorce, Myers began to self-harm.

He became a social recluse and gravitated towards others with the same bleak outlook.

When Myers became friends with Mosley, an unspeakable bond was formed.

At first, the pair plotted to rob Justin. They'd heard a rumour the family had \$20,000 in a locked safe.

They documented their disturbing plan in a notebook, writing the words 'strangle' and 'no mess'.

Mosley later revealed: "We had the idea of strangling him. That

way it would create no mess – pretty much be an easier job to handle.”

Also jotted down was a shopping list which included duct tape, wire, crow bar.”

On January 28, 2014, Myers and Mosley went to Justin's home to 'case' it.

The next day, the pair walked up to the house and simply knocked on the front door.

Justin, seeing familiar faces from school, warmly beckoned them inside.

It was an act of polite kindness which would see him executed in cold blood.

For an hour or two, the lads hung out together, watching movies.

Then Mosley, using a garotte fashioned from two pieces of wood and a length of wire, attacked Justin from behind as he stood in the kitchen.

When that failed, the three boys ended up brawling on the kitchen floor.

Mosley then pulled out a pocketknife and stabbed repeatedly.

He later told a court: “Obviously, Justin was trying to put up a fight.

He wasn't overpowering us.”

“Through the panicking and the fight, I pulled out my knife and started to stab Justin in the back.”

It's at this point that Justin, realising he was mortally wounded, turned to Myers.

He'd known him for years. He considered them to be friends.

He screamed: “Help me!”

Mosley added: “A few moments after, Justin was trying to ask us why, pleading to stop and pretty much begging for his life.”

### Bleeding

What happened next is what condemned Myers to his fate on Death Row.

He turned to Justin, now slowly bleeding to death, and calmly told him, “Shhhh, it will all be over soon...”

And what did Myers and Mosley find in the safe they coveted?

“Paperwork, loose change, bullets... just random items,” said Mosley.

“It was not what

we expected. Not at all.”

Having discarded Justin's body, wrapped up in the bloodied rugs on which he'd died, Myers fired off two shots into the corpse just for good measure.

Just 24 hours after Justin's mum and stepdad raised the alarm, the two young killers were arrested and charged with nine counts, including aggravated murder and kidnapping.

When their court cases got under way in September 2014, Mosley not only entered a guilty plea but struck a plea bargain which saw him testify against Myers.

Further harrowing details soon emerged during their trial at Warren County Court.

County prosecutor David Fornshell told how Myers – the mastermind behind Justin's murder – had also been plotting to kill his own parents.

Fornshell said: “He took \$100 cash out of Justin Back's wallet. He said he wanted to go get his gun out of a pawn shop in Dayton and then

use that gun – as well as the one they stole from Mark Cates – to kill his own mum and stepdad. “Austin Myers wanted to kill his own mother and stepfather just 15 minutes after killing Justin Back. This was all part of his plan.”

On October 1, 2014, Myers was found guilty by a jury on all counts in the murder of Justin Back.

Realising his life hung in the balance, Myers made an impassioned plea to the jury not to recommend the death penalty.

He told them: “If you choose for me to die, it's only going to cause more pain and suffering for another family, not me. “It won't hurt me. I won't feel anything.”

“I want to help people. I want to help stop tragedies like this from happening. All I'm asking for is a chance to become a better person.”

Despite knowing he wanted her dead, Myers' mum Danielle also begged for mercy for her son, telling the jury that his death would devastate his siblings.

She said: “I'm very much hoping you'll consider a life option because my kids need him. We need him to be part of our family. They

don't understand any of this. None of us do.”

But on October 16, Warren County Judge Donald Oda ignored those pleas and made Myers the youngest inmate on Ohio's Death Row.

Justin's mum Sandy stood up, looked Myers in the eyes and told him: “We have memories, but we will have no more with our son because of the choices you made.”

You kept choosing to make those choices.”

“I'm not going to stand up here and tell you how much I hate you. I just hope that every time you close your eyes at night, you see my son.”

Mosley, who showed remorse throughout his own trial, apologised to Justin's family on multiple occasions.

He was jailed for life, without the possibility of parole.

Mosley sobbed: “I keep asking myself the last nine-and-a-half months why I did it and I just can't give you that answer right now.”

“I hope some day that I will be able to give you that answer.”

Prosecutor David Fornshell added: “You saw a level of remorse with Tim Mosley that simply does not exist with Austin Myers.”

## Pervert peeped at holiday camp girl

**A PEEPING Tom has been jailed for spying on a naked teenage girl as she got changed at a seaside holiday camp.**

Graeme Croucher accidentally filmed his own face as he set his mobile phone to record and edged it under the barrier between two cubicles.

He filmed the girl in the next door cubicle and later downloaded the images onto another device.

Croucher also filmed teenage girls who visited his home in Torquay, Devon, but was caught out when one of them spotted his phone hidden in a sock. She found it was set up to record her as she used the toilet.

Police later found videos of four different girls aged 14 to 18 on the phone and on a memory stick.

### Videos

At Exeter Crown Court Gareth Evans, prosecuting, said police found a total of seven videos which varied in length from a few seconds to more than eight minutes and had been taken between early 2017 and him being caught in November 2018.

He continued to deny making the images even after they had been found by police and the girls had been identified. He only admitted what he had done when the case got to court.

Police found footage of

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

one 14-year-old girl which he'd shot secretly at Butlins in Minehead in April 2017.

Mr Evans said: “He inadvertently filmed himself. The footage from Butlins shows him as the first person on it and it is clear that he put the phone on the floor and moved it incrementally beneath the wall between the cubicles until the girl is shown clearly and in full picture.”

Martin Salloway, defending, said Croucher is keen to address his issues and added that his marriage ended as a result of his arrest.

Croucher, 35, of Chudleigh, Devon, admitted four counts of voyeurism and three of making indecent images of children and was jailed for a year by Judge Jonathan Barnes, who also put him on the Sex Offenders Register.

**T**ASTY Emma Harris would definitely be crowned Queen of telly show *Come Dine With Me*.

Because the 24-year-old glamour model says that cooking in her kitchen always leads to SEX!

Gorgeous Emma, a 34D brunette, showed us around her swanky flat in Leeds, West Yorks, when she invited us round for dinner.

But lovely Emma couldn't resist getting naked in the middle of cooking – and playing with her food too!

She laughed: "I enjoy dinner dates and I'm a dab hand in the kitchen, spending all afternoon cooking a tasty meal – with sexy aphrodisiacs.

"Then we'll have a nibble, a cheeky glass of wine or two and, before you know it, we're rolling around in the bedroom for dessert!

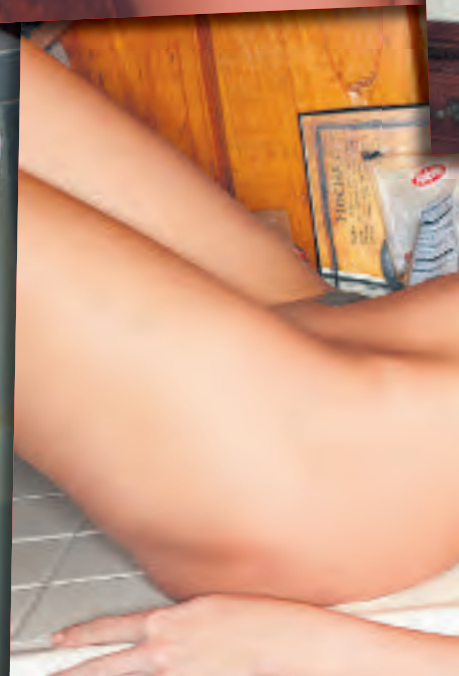

"It's fun to experiment with food during nookie too. You can't go wrong with a bit of whipped cream squirted on your nipples for him to lick off!

"I have more of a sweet tooth, so chocolate sauce gets me going too.

"I love drizzling it down my man's bare chest and licking it off.

"Then I'll let him smear it on my boobs and clean it all off with his tongue.

"What a turn on!"

# LOON WIPES HER MINGE WITH MUSLIM WOMAN'S HEADSCARF

HIJAB: Pic posed by a model

**A CRAZED woman tried to choke a Muslim student with her own hijab – then rubbed the religious garment on her FANNY after ripping it from the victim's head.**

Jasmine Renee Campbell, 23, has since been charged with attempted strangulation, harassment, criminal mischief and committing a hate crime after she failed to appear at court.

The attack took place on November 12, when Campbell snatched the religious headcover off of a 24-year-old student at Portland State University, Oregon.

## Naked

Campbell tried to choke the woman with the hijab, then stripped naked and rubbed it over her breasts and genitals.

She claimed she wasn't trying to hurt the student, but had been drinking heavily and now is seeking treatment for a mental health condition.

And she blamed her mental health for missing her original court appearance.

A witness said: "I've never seen anything like that. The woman just flipped. She was crazy. She just seemed to run at her victim who

CHARGED: Campbell

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

was as surprised as anyone else at what was happening.

"When she took all her clothes off and starting rubbing her boobs and fanny with the hijab, we knew it was all going too far.

"Security was called

and the woman was arrested.

"If it was meant as showing a lack of respect to the victim's religion, it didn't work. People's natural reaction to the attack was just one of disgust."

The victim, a foreign exchange student from Saudi Arabia, said she now wears a hat to cover her head.

## Sex not socks pressie swap

TOP adult toy retailer Lovehoney have come up with the ideal solution for getting rid of those unwanted Christmas gifts.

They are launching a Sex Not Socks 'gift swap', where the first 1,000 members of the public can swap a gift for a free sex toy.

The great gift swap will take place on London's Southbank from 9am until 8pm on January 14.

Lovehoney will be giving away sex toys up to a value of £59.99 to the first 1,000 people aged over 18 who want to swap their gift for an unwanted present in a lucky dip.

You'll also be able to donate small, unwanted Christmas items including clothes, books and DVDs.

## 'SEA-COW' NUGGET FOR SALE: £4,000

A WOMAN is trying to sell a piece of fried chicken she claims is shaped like a manatee.

Melinda Disbrow said her colleague picked up the food from a diner and she was down to the last nugget when she noticed, she said, that "As soon as I saw at it that it looked like a manatee."

The sea-cow-shaped snack was posted for sale on Facebook Marketplace with a £4,000 price tag.

So far Melinda, of Riverview, Florida, has received plenty of comments but no offers.

# THE WORLD FAMOUS AGONY Page

**Dear Ava,**

I'VE been married for 15 years and I'm just beginning to wonder if my missus is a two-timing nympho.

A couple of weeks ago I was in a pub with some workmates when a guy came up and started talking to one of them.

It seems they were old mates and hadn't seen each other for a few years.

When my pal asked his mate if he was married he replied: "No, but I'm f\*\*king a proper nympho regularly" – then produced a photo of the woman

It was a pretty poor snap but I could see enough to suspect the woman laid on a bed with her legs spread wide showing her minge was my wife!

I'm absolutely devastated.

What should I do?

*FR, Notts*

### Ava says...

**STOP** being so ridiculous – most women look the same when they've got their kit off. Sounds like you're just being paranoid.

**Dear Ava,**

ME and my girlfriend got engaged a couple of months ago – I'm 21 and she's 19.

A couple of weeks ago her female pal came to my flat during the day, when my bird was out at work and I was on a day off.

One thing led to another, and we were soon rolling around in the sack together.

She soon had my dick hard and went down on me – and she swallowed the lot!

Then I went down on her, licking her vag and tickling her little clit.

After she'd gone, I realised what I had done and felt bad. But the next week the same thing happened.

Since then I've told her that it must stop but she says that if I don't carry on "servicing" her she'll tell my fiancée.

*MA, Derbys*

### Ava says...

**YOU** should stop kidding yourself that it's all HER fault.  
Call her bluff – but remember, it takes two to tango.

**Dear Ava,**

I'M a 36-year-old divorced lady and the other week I bumped into an old female school pal I'd not seen for 20 years.

I invited her round to my place for a meal, where we cracked open a bottle of wine and had a great time recalling all the silly things we'd done in the past.

She is also divorced and revealed she hadn't made love to a man since her husband left her.

I said she must be feeling terribly frustrated but she laughed and said: "That does not mean I haven't had sex."

Then she pushed me back on the sofa, easing my thighs apart, and I screamed in ecstasy as she pulled my panties

apart, and I screamed in ecstasy as she parted my panties  
aside and probed my pussy with her fingers and then the  
tip of her firm tongue.

It seemed like only seconds before I was experiencing the most powerful orgasm I have ever felt.

Now I'm feeling sexually confused. Am I gay?

# Well-hung manager is the boss of spanking!

**Dear Ava,**

**I'VE often fantasised about being spanked, but I daren't tell my husband – in case he thinks I'm a pervert.**

But recently I decided to make my dream come true – with my boss!

For some time now he has been making comments about my arse and how much he would like to spank it.

I used to laugh it off as a joke, but I started thinking more and more about it and a couple of weeks ago I decided to call his bluff.

He invited me out to a bar in town after work and we had a few drinks and started talking about fantasies. I told him mine, and he was at pains to point out that his was pretty similar – apart from him wanting to take me in both holes after he had spanked me.

I got turned on by him describing what he wanted to do to me, so I said we should go back to the office.

## Knickers

We made sure we were all alone in the building and he pretended to be angry with me as I bent over his desk.

Then he lifted my skirt up, took my knickers down and told me I deserved a good spanking.

I don't mind admitting that I was trembling with excitement as he gave me a dozen slaps that left me horny, and my bum cheeks burning hot.

So I turned round to see that my boss had an enormous bulge in his trousers and I made a grab for him, quickly unleashing his impressive eight-incher.

I took him to the brink of orgasm with my mouth before I turned around and let him screw me hard and fast from behind over the desk.

He first took me doggy-style and then switched holes and had anal sex with me.

It was one of the best shags I've ever known and I'm sure the spanking is what made all the difference.

But now I'm feeling really guilty about cheating on my husband.

Should I tell him?

*TH, West Yorks*

**Ava says...**

**NO – but you should definitely ask him to spank your arse!**

**Dear Ava,**

I'M a horny 26-year-old girl and I love pulling fellas for one-night stands.

I get a thrill out of unleashing a new cock each time and comparing it for size – and taste – with all the other dicks I've had.

I go to all the local clubs and pubs and I've had most of the fanciable males in the area now.

So I'm looking at new ways to meet lads for no-strings sex.

My big ambition is to take a virgin bloke to bed, too.

Where can I find one?

*CB, Leics*

**Ava says...**

**THE only place I could suggest would be the nearest monastery – although I doubt they'd let you in the place!**

**Dear Ava,**

I'M in my mid-50s and have recently started dating a lovely 18-year-old girl.

She's assured me that age is just a number and on our first date I enjoyed some heavy snogging and petting with her.

We had full sex on our third date, after a party.

We'd had a bit to drink and were touching each other in the bathroom.

To my astonishment she dropped to her knees, grabbed hold of my stiff cock and put it between her sweet lips.

While she was slurping on my engorged member I noticed she'd yanked down her knickers and was fingering herself.

This set me off and I blew the lot in her gob.

Later I asked her if she fancied a cock up there, rather than her fingers, and she took me out to her mate's garage.

She unlocked the car parked there and we climbed on the back seat.

Then she wriggled out of her skirt and was soon straddling my love-muscle and riding it wildly.

Now she says she wants to go away to university after the summer, where I know that with her huge sexual appetite she'll soon be getting her fill of young, hard cock in no time.

Can we carry on?

*CH, north London*

**Ava says...**

**GET it while you can.**

## Steamy scrum with randy rugger girls

**Dear Ava,**

MY fella used to be a keen rugby player and I'd go along and help the other WAGS to serve the drinks and food after a match.

When he stopped playing due to injury, we kept going along to help.

Then a few of the other WAGS decided to set up a team for the ladies – and I joined in.

After our first match, my fella came up with the suggestion of me getting off with two lesbians on the team.

We won our first game and I was so elated I said yes to his plan.

In the showers, the two gay girls started giving each other a celebratory kiss, so I jumped in the middle and we began locking our lips together.

We were soon fingering each other's fannies and soaping each other's boobs and I was dripping wet – not just from the shower!

As we were drying off, the girls used their tongues to make me orgasm.

Then we went to the club bar and promised ourselves another session soon.

My fella loved it, but now wants to join in but I just want the ladies – not him.

Is this normal?

*GH, Hants*

## 'I like it rough – but slow sex with gentle licking is as good'

**I ABSOLUTELY love it rough – I get so turned on by spanking and name calling.**

I love some really wild, animalistic sex.

Like "shove-me-down-and-f\*\*k-me" stuff, call me a dirty slut and really boss me about in bed.

This can only be with someone I really trust, not some random.

It's always fully consensual and it's important for blokes to ask the woman what she wants first.

It can actually be hard to have good rough sex – as I'll only do it in a relationship I've found some guys can feel a bit inhibited, and afraid that it's somehow disrespectful.

But to me it's just play, a moment where you can be really raw and unleash all the pent up sexual energy on each other.

I do think slow, sensual sex with gentle touching and licking is awesome, too.

But just like pizza is my favourite food, I don't want it every day.

## CARLI BANKS

DOG walker Frank Hamworth begged the *Midweek Sport* for a boobs-out photo of curvy Carli Banks.

Frank, 54, who owns his dog care business in Sunderland, wrote in saying he was desperate to see 25-year-old Carli's 32Cs.

He said: "I look after dogs all day and I see plenty of them out and about, I want a real woman to look at when I'm done for the day."

"Can I have a topless picture? Cheers!"

## IT'S FIRST BLOOD TO THE FOXES

LEICESTER entertain Aston Villa in the first leg of the League Cup semi-final at the King Power this evening and I would be surprised if the hosts did not take a lead back to Villa Park.

The Foxes are 1/3 at BetVictor with Villa 17/2 and the draw at 22/5.

Leicester have won their last three games in all competitions and bounced back well from the heavy defeats they took at the hands of Manchester City at the Etihad and Liverpool at the King Power over the Festive period.

They were not at their very best against Wigan in the FA Cup on Saturday, but Brendan Rodgers' is managing his squad's workload very well and he is likely to play his strongest XI available this evening.

Jamie Vardy is likely to be back after missing the last three games for a variety of reasons and the striker scored twice in the league game between the sides which the Foxes won 4-1 at Villa Park last month.

Villa also rotated their squad at Fulham at the weekend, but they lost 2-1 at Craven Cottage and a relegation fight awaits Dean Smith's side in the second half of the season. Villa have won two of their last three in the league and Jack Grealish, who missed the FA Cup game in London, will be back in the starting XI for the trip to the King Power.

### Striker

The Villa skipper has had an outstanding first half of the season and he will not be playing back in the Championship next term. But will Villa? They are likely to be back in the drop zone by the time they entertain Manchester City on Sunday—Watford travel to Bournemouth in Sunday's early kick-off—and they are 5/6 to be relegated at the end of the season.

Keeper Tom Heaton and Brazilian striker Wesley will miss the rest of the season through injury and, at the time of writing, it is unsure whether England International Tyrone Mings will return to the Villa side from the hamstring injury he suffered in the league game between the sides last month. Smith needs him but he knows Premier League survival is the club's primary objective this term.

Leicester have had an excellent season and I believe a place in a Wembley final awaits Brendan Rodgers' side. A 2-0 win for the Foxes is 13/2 with BetVictor and that is the tip. It is 2/7 that the Foxes make the final.

Spurs midfielder Christian Eriksen—who is out of contract at the end of the season—is 4/6 at BetVictor to join Inter Milan in the January transfer window. Other interesting potential moves include and loan moves DO count—prices from BetVictor.

## DAN THE MAN TO SAVE BRUMMIES FROM DROP

**ASTON Villa have kicked off their January transfer deals by loaning Danny Drinkwater.**

The Chelsea midfielder is one of the game's forgotten men after he played a huge part in Leicester winning the Premier League just over three years ago.

That earned him a £40m move to Stamford Bridge where he has never come close to establishing himself in the side.

Antonio Conte gave him a chance but he didn't get a look in once Maurizio Sarri took over.

He made ZERO league appearances last season and

By **PAUL THOMAS**

has been on loan at Burnley where he has only played once in the top flight.

But Villa boss Dean Smith is keen to bring the 29-year-old to the club to add some Premier League experience.

He said: "Danny was a key member of Leicester City's title-winning team and has represented England so he is a vastly experienced player."

"He will strengthen our squad significantly."

Drinkwater will go straight into the squad for the weekend clash with Manchester City.

Smith knows he needs a couple of new faces this

month to aid his relegation worries.

The Brummies are just a point above the drop zone but they had a decent Christmas with wins against Burnley and Norwich.

Goals have been an issue and Villa are willing to splash the cash for a new striker after key hitman Wesley was ruled out for the rest of the season with injury.

### Rekindle

It's a bit puzzling to see them linked with Christian Benteke given his chronic record for Crystal Palace.

That said, the big Belgian made his name for Villa between 2012 and 2015 with an

impressive 42 goals in 89 league games. That was the form that earned him a move to Liverpool.

If he could rekindle that sort of scoring record, the 29-year-old could be a bargain.

Reports in Italy are also linking Villa with AC Milan hitman Krzysztof Piatek who is valued in the £30m bracket.

The 24-year-old moved to the San Siro from Genoa last year but has struggled at the Rossoneri.

He has talent though and scored 11 in his first 21 games before going off the boil.

Milan would be happy to let him go after Zlatan Ibrahimovic arrived earlier this month.

# MAD MIKEL FIRED US UP

**MIKEL Arteta bared his teeth at Arsenal's flops as they struggled in the FA Cup against Leeds.**

The Spaniard's ferocious half-time team talk was a shock to the Gunners players who upped their game after the break. Reiss Nelson got the winner against the Championship high-flyers and says the manager's rocket worked wonders.

Leeds should have been away and gone in Monday night's clash at the Emirates but they missed a host of great chances in the opening 45 minutes.

Arteta is thought of as a quiet boss but he went nuts in the dressing room.

Nelson revealed: "He shouted a lot! I think that's good.

"I think as a coach you always need to have the aggressive side and obviously the side where you give love as well.

"In training he is always asking us to press with passion and play with purpose. I think we saw that at times.

"We played out wide, we played through the middle and it was all going on.

"In the second half we played with a real purpose. The team

By JOHN ANTHONY

came out in the second half ready to go and I think we showed that we could create a lot of chances.

"Arteta just said that we weren't playing the way we should be playing. Mikel is a manager that wants to play with a purpose.

"He said we needed to be more aggressive and I think we did that in the second half.

"We showed more fight and character. We went out and did what we were supposed to do."

Leeds are currently leading the Championship on goal difference and have brilliant but quirky coach Marco Bielsa at the helm.

He is famous for sitting on an upturned bucket to watch the game but is also a tactical magician.

## Quality

He almost got the Yorkshire giants up last season and it would be a shock if he doesn't manage it this time around. Bielsa has already told his players to forget the Cup disappointment.

Barry Douglas is a regular for United and the Scottish international believes the Arsenal game proves they have Premier League quality in their ranks.

He said: "We probably come away from the game a little disappointed.

"I thought we gave a great account of ourselves and we matched them and on our day we would have converted a few of our chances.

"We are a team that when we are on it and at the races, pressing like that, we will cause problems for any team.

"It was a good game overall, obviously a bit gutted not to take anything from the game but it is nights like that you want to be involved in and it is a standard set."

## Donald puts bad Black Cats on market

SUNDERLAND owner Stewart Donald has put the club up for sale.

And he's calling for unity after the fans turned on him following their poor first half of the season.

The Black Cats' faithful fear becoming marooned in League One and have made their feelings clear to the former Eastleigh chairman.

Under pressure from supporters' groups, Donald has admitted that the club is on the market.

And he hopes the fans will now get behind manager Phil Parkinson as they bid to get their promotion push back on track.

Sunderland sit just one point off the play-off spots but the atmosphere has not been great.

He said: "We would like to place on record our thanks for the wonderful support we have received from SAFC's phenomenal supporters.

"We would also like to reassure those loyal fans that we are placing sufficient funds in the club to support the manager as he seeks to improve the first team in the next few weeks.

## Giants

"Finally, I just ask that fans now unite to support the players and the coaching staff."

Donald bought the Wearside giants from Ellis Short in May 2018.

After failing to win promotion in his first campaign, he showed popular manager Jack Ross the door.

Results have not been great under Parkinson but they have picked up two wins and a draw from their past three games.

Donald hopes that is enough for the fans to silence their protests.

A club statement added: "Given the circumstances, and Stewart Donald's sincere commitment on his arrival at Sunderland AFC that 'I won't out-stay my welcome', the board feels that it has no option but to sell the club.

"That process has now commenced. Owing to confidentiality agreements, there will be no further updates until a preferred bidder is identified."

Despite the upheaval, Sunderland are expected to move for Burton Albion striker Liam Boyce this month.

The Northern Ireland international has seven goals this season.

# RED BULL AT MAX POWER

ONE of Lewis Hamilton's biggest rivals has signed a new deal.

Max Verstappen will stay at Red Bull until 2023, ending speculation that he could replace the Brit at Mercedes.

The 22-year-old was top of the list with most pundits as his contract was due to expire later this year.

With mounting speculation that Hamilton may jump ship to Ferrari, Mercedes were being linked with Verstappen.

Another name in the frame was Charles Leclerc but he has committed his next five years to

## FORMULA ONE

the Italian giants. Verstappen is happy to keep his name out of the frame for a Merc move after three years at his current team.

He said: "I want to win with Red Bull and our goal is of course to fight for a world championship together.

"Red Bull believed in me and gave me the opportunity to start in Formula One which I have always been very grateful for.

"Honda coming onboard and the progress we have made over

the last 12 months gives me even more motivation and the belief that we can win together.

"I respect the way Red Bull and Honda work together and from all sides everyone is doing what they can to succeed."

Now all eyes are on Hamilton to see what the 35-year-old does next.

He's more than a decade older than the rising stars and if he does make a move, it's likely to be his last.

Hamilton has been open in saying he could be interested in a new challenge and has had

talks with Ferrari as Sebastian Vettel enters the final year of his contract with the Italians.

Red Bull team principal Christian Horner is pleased to be keeping hold of his key driver.

He said: "With the challenge of the 2021 regulation changes on the horizon continuity in as many areas as possible is key.

"Max has proven what an asset he is to the team, he truly believes in the partnership we have forged with our engine supplier Honda, and we are delighted to have extended our relationship with him."

# ERIK WANTS TO STAY

## But only til the summer at Spurs

**CHRISTIAN Eriksen could stay at Spurs until the end of the season.**

The Danish midfielder is about to run out of contract and can speak to clubs about a free move in the summer.

Inter Milan admit they

By JOHN ANTHONY

want him — but there have been no talks between the Italians and the Londoners.

Tottenham know Eriksen isn't going to sign and want to take a £20m fee for him now.

But the Dane could just

sit tight and cop most of that fee himself as a signing on fee when his contract expires in June.

Boss Jose Mourinho has been picking him for recent games and would be happy to carry on.

Inter chief Giuseppe Marotta said: "Eriksen is an excellent player whose

contract expires in June and we have had no contact with Tottenham.

"I still believe that there are many teams interested in him and we have not started any kind of negotiations.

"I simply say that he is an important and interesting player."
